
Spatial Patterns And Mechanisms For Terrestrial Ecosystem Carbon Fluxes In The Northern Hemisphere

spatial patterns and dynamic mechanisms of urban ... - core - spatial patterns and dynamic mechanisms of urban land use growth in china: case studies in beijing and shanghai liu, s. and prieler, s. iiasa interim report **spatial patterns and coexistence mechanisms in systems ...** - theoretical population biology 71 (2007) 267-277 **spatial patterns and coexistence mechanisms in systems with unidirectional flow** frithjof lutschera,b., edward mccauleyb, mark a. lewisa,c **spatial patterns and driving mechanisms of mid-holocene ...** - spatial patterns and driving mechanisms of mid-holocene hydroclimate in western north america nicholas wayne hermann, 1jessica leigh oster* and daniel enrique ibarra2 **spatial patterns and mechanisms of the quasi-biennial ...** - spatial patterns and mechanisms of the quasi-biennial oscillation-annual beat of ozone xun jiang,1,2 dylan b. a. jones,3 runlie shia,1 duane e. waliser,4 and yuk l. yung1 **on the relationship between spatial patterns of sea-ice ...** - on the relationship between spatial patterns of sea-ice type and the mechanisms which create and maintain the north water (now) polynya c.j. mundy* and d.g. barber **climate change on the northern tibetan plateau during 1957 ...** - climate change on the northern tibetan plateau during 1957-2009: spatial patterns and possible mechanisms lan cuo,* yongxin zhang,1 qingchun wang,# leilei zhang,*,@ bingrong zhou, **spatial patterns of modeled climate feedback and ...** - spatial patterns of modeled climate feedback and contributions to temperature response and polar amplification julia a. crook and piers m. forster **review article mechanisms of pattern formation in ...** - morphogenetic mechanisms change the spatial distribution of cells without changing cell states. morphogenetic and inductive mechanism act at all stages of development. inductive mechanisms are generally implicated in developmental changes that produce new patterns. because induction is a prerequisite for development to proceed no particular attention is normally paid to the order in which ... **complex pattern formation in reaction-diffusion systems ...** - taneous stable spatial patterns from an initial unpat- ... pattern-forming mechanisms often operate in spatially heterogeneous environments. in such cases it becomes critical to understand the effects of the imposed spatial heterogeneity on the ability of the mechanism to generate pattern, and on the form of the resulting pattern. one specific instance in which spatial heterogeneity is ... **diffusion-driven instabilities and emerging spatial ...** - original research article diffusion-driven instabilities and emerging spatial patterns in patchy landscapes christina a. cobbolda,* frithjof lutscherb, jonathan a. sherrattc **spatial self-organization of ecosystems: integrating ...** - spatial patterns in ecosystems, which have attracted scientists of diverse backgrounds—including zoologists, ecosystem ecologists, physicists, and mathematicians—to study a problem that spans all their fields. **forest ecology and management - uw staff web server** - review tree spatial patterns in fire-frequent forests of western north america, including mechanisms of pattern formation and implications for designing **temporal sensitivity of human luminance pattern mechanisms ...** - mechanisms in which excitation is summed linearly and the sum is transformed by an s-shaped nonlinear excitation-response function. a new model of human pattern vision mechanisms, which has excitatory and divisive inhibitory inputs, describes the **spatial development - princeton university** - spatial development ... land rents in the same period, as well as several other spatial and temporal patterns. (jel j21, l16, l60, l80, o33, r11, r32) economic development varies widely across space. it is a common observation, as stated in the 2009 world development report (world bank 2009), that the location of people is the best predictor of their income. this is clearly true when we move ... **challenges for sustainable water use in dolomitic mining ...** - spatial patterns, mechanisms, and dynamics associated with the fluvial transport of ura-nium. previous studies found elevated levels of dissolved u along the entire watercourse and also detected significant secondary accumulations of u in fluvial sediments. the degree of sediment contamination seems to be determined less by the distance to the source of u pollution than by the sorption ...
